The Board discussed the ongoing complaint (since August) of sewerage odor at this address. Jaime Rice and Brian Szczurko have made several site visits and cannot detect this odor. The complainant states it is more prevalent when the household returns home in the evening and when it rains. The Board would like a letter sent

to the homeowner notifying them that neighbors have had some complaints of an odor coming from their property and request a copy of their recent pumping records be supplied to the Board of Health.

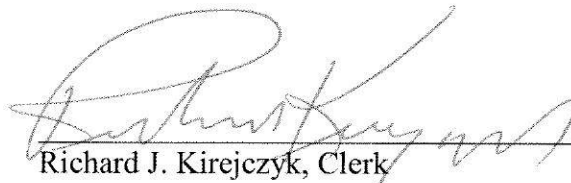

Old / New Business

Announcement was made that Ms. Lindsey Fox had been selected to be the next MRC Coordinator. Dawn Farmer will assist with orienting Lindsey once all the necessary paperwork is completed. Letters will be sent to all the other applicants thanking them for their interest in applying for the position.

An email was sent from the Board of Selectman's office requesting a representative from the Board of Health attend an upcoming tabletop exercise on January 24th regarding the Grafton /Upton Railroad. Phil Leger and Colleen Bolen expressed interest in attending and Jay Gardiner offered to attend depending on the time of meeting.

A motion was made by Mr. Gardiner to adjourn at 6:50 P.M., seconded by Mr. Dumas; unanimously passed.
